KINGDOM LIFE NETWORK 2013 CONFERENCE

Pray, Hear, & Obey the Focus of Final Day

The sounds of a 1940's car horn greeted the conference attendees as they arrived for the final day of the Kingdom Life Network 2013 conference. Much to the delight of these out-of-state passengers, host Eugene Stoner delivered his overnight guests to the front door of the church in vintage style. But once inside the doors, the plea for new wineskins was present. E. Daniel Martin and Mel Weaver had set up a tent at "Saturday's Market" at 5:00 a.m. and gave a report that those staying with the booth were already in action; sharing, praying, and handing out tracts. They are also inviting people to a special Saturday night healing service to be held back at Grace Chapel this same day.

Ben Gill & the Grace Chapel worship team opened the Saturday morning conference and Seth Lucas, just 16 years old, gave a passionate message on the status of today's youth and the need to reach them. Jane Kamau from Kenya followed with encouragement to leaders that they need to re-brand the gospel ...not with a watered-down version, but we must re-package the same gospel for the next generation with power, with healings, and with the miraculous.

Happy Church leader Joseph Kamau followed with the morning address. When the enemy reminds you of your past, remind him of his future. The anointing is needed for divine assignments. We are anointed to bind and loose. We are anointed to bring truth and discernment.

Lou Gozslath concluded the conference with a stirring message. There is no greater technology than the download that God did with sending Jesus to the cross. God has downloaded Jesus into us. Success in ministry simply comes from "pray, hear, & obey". Hearing from heaven and then obeying. It is not about formulas. Lou then called for the 8 network leaders to come forward and share in communion with all in attendance.

Dean Landis gave a youth and children report with positive feedback from the morning testimony given by Kevin Smyth. Special thanks was given to Mel & Rosemary Weaver and the Grace Chapel staff for sharing your facilities. And thanks was given to Henry & Millie Buckwalter for their over-seeing the logistics of this conference.

The song "Victory in Jesus" concluded the 2013 conference.

The gospel needs re-branded ...not in a watered-down version; but we must re-package the same gospel for the next generation with power, with healings, and with the miraculous.
