Team Leaders: looking for network youth groups, young adult groups, singles groups, etc. to create a 5-10 person team to assist 1 week in the summer of 2018.

Mission Purpose: The Philadelphia Community Center welcomes teams for various weeks in July to aid in running their camps Monday thru Friday with lots of opportunities to help in children's reading programs, tutoring, Bible clubs, and sports ministry. Teams will experience eating 2 meals a day with the campers, and participating in their programs. Housing arrangements are sleeping on air mattresses at the center. Saturday could be touring the historical sites in the City of Brotherly Love.
